No bid may be withdrawn under this section when the result would be the awarding of the contract on another bid of the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than five percent. If a bid is withdrawn under the authority of this paragraph, the lowest remaining bid shall be deemed to be the low bid. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.”

Within twenty (20) days after the receipt of the invoice or goods or services, NNPS shall notify the supplier of any defect or impropriety that would prevent payment by the payment date. Should NNPS fail to pay the Contractor by the pay date, finance charges may be assessed by the Contractor. Unless otherwise provided under the terms of this Contract, interest will accrue at the rate of one percent (1%) per month. This will not apply to late payment provisions in any public utility tariffs or public utility negotiated Contracts. Contractor shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.

In cases where payment to Contractor is made by mail, the date of postmark shall be deemed to be the date payment is made for purposes of this Contract.

Individual Contractors shall provide to NNPS their social security numbers and proprietorships, partnerships, and corporations to provide their federal employer identification numbers.

Within seven (7) days after Contractor receives payment from NNPS, Contractor shall take one or more of the following actions:

A Contractor's obligation to pay an interest charge to a subcontractor pursuant to the payment clause in this section shall not be construed to be an obligation of NNPS. A Contract modification will not be made for the purpose of providing reimbursement by NNPS for interest charges owed by Contractor. A cost reimbursement claim to NNPS shall not include any amounts for reimbursement of interest charges owed by Contractor.

## DD. Payment by Electronic Funds Transfer

### (a) Method of payment.

(1) All payments by Newport News Public Schools (NNPS) under this contract shall be made by electronic funds transfer (EFT) except as provided in paragraph (a)(2) of this clause. As used in this clause, the term "EFT" refers to the funds transfer and may also include the payment information transfer.

(2) In the event NNPS is unable to release one or more payments by EFT, the Contractor agrees to either—

(i) Accept payment by check or some other mutually agreeable method of payment; or

(ii) Request NNPS to extend payment due dates until such time NNPS makes payment by EFT (but see paragraph (d) of this clause).

### (b) Mandatory submission of Contractor's EFT information.

(1) The Contractor is required to provide NNPS with the information required to make payment by EFT (see paragraph (j) of this clause). The Contractor shall provide this information directly to the NNPS Accounting Department (hereafter referred to as "Accounting") no later than 15 days prior to submission of the first request for payment. In the event that the EFT information changes, the Contractor shall be responsible for providing the updated information to the Accounting.

(2) If the Contractor provides EFT information applicable to multiple contracts, the Contractor shall specifically state the applicability of this EFT information in terms acceptable to Accounting.

(c) Mechanisms for EFT payment. NNPS may make payment by EFT through the Automated Clearing House (ACH) network, subject to the rules of the National Automated Clearing House Association

### (d) Suspension of payment.

(1) The NNPS is not required to make any payment under this contract until after receipt, by Accounting, of the correct EFT payment information from the Contractor. Until receipt of the correct EFT information, any invoice or contract financing request shall be deemed not to be a proper invoice for the purpose of prompt payment under this contract.

(2) If the EFT information changes after submission of correct EFT information, NNPS shall begin using the changed EFT information no later than 30 days after its receipt by Accounting to the extent payment is made by EFT. However, the Contractor may request that no further payments be made until the updated EFT information is implemented by Accounting. If such suspension would result in a late payment under the prompt payment terms of this contract, the Contractor's request for suspension shall extend the due date for payment by the number of days of the suspension.

### (e) Liability for uncompleted or erroneous transfers.

(1) If an uncompleted or erroneous transfer occurs because NNPS used the Contractor's EFT information incorrectly, NNPS remains responsible for—

(i) Making a correct payment;

(ii) Paying any prompt payment penalty due; and

(iii) Recovering any erroneously directed funds.

(2) If an uncompleted or erroneous transfer occurs because the Contractor's EFT information was incorrect, or was revised within 30 days of NNPS' release of the EFT payment transaction, and—

(i) If the funds are no longer under the control of Accounting, NNPS is deemed to have made payment and the Contractor is responsible for recovery of any erroneously directed funds; or

(ii) If the funds remain under the control of Accounting, NNPS shall not make payment and the provisions of paragraph (d) shall apply.

(f) EFT and prompt payment. A payment shall be deemed to have been made in a timely manner in accordance with the prompt payment terms of this contract if, in the EFT payment transaction instruction released to the Federal Reserve System, the date specified for settlement of the payment is on or before the prompt payment due date, provided the specified payment date is a valid date under the rules of the Federal Reserve System.

(g) EFT and assignment of claims. If the Contractor assigns the proceeds of this contract as provided for in the assignment of claims terms of this contract, the Contractor shall require as a condition of any such assignment, that the assignee shall provide the EFT information required by paragraph (j) of this clause to Accounting, and shall be paid by EFT in accordance with the terms of this clause. In all respects, the requirements of this clause shall apply to the assignee as if it were the Contractor. EFT information that shows the ultimate recipient of the transfer to be other than the Contractor, in the absence of a proper assignment of claims acceptable to NNPS, is incorrect EFT information within the meaning of paragraph (d) of this clause.

(h) Liability for change of EFT information by financial agent. NNPS is not liable for errors resulting from changes to EFT information provided by the Contractor's financial agent.

(i) Payment information. Accounting shall forward to the Contractor available payment information that is suitable for transmission as of the date of release of the EFT instruction to the Federal Reserve System. NNPS may request the Contractor to designate a desired format and method(s) for delivery of payment information from a list of formats and methods Accounting is capable of executing. However, NNPS does not guarantee that any particular format or method

of delivery is available and retains the latitude to use the format and delivery method most convenient to NNPS. If NNPS makes payment by check in accordance with paragraph (a) of this clause, NNPS shall mail the payment information to the remittance address in the contract.

(j) EFT information. The Contractor shall provide the following information to Accounting. The Contractor may supply this data for this or multiple contracts (see paragraph (b) of this clause). The Contractor shall designate a single financial agent per contract capable of receiving and processing the EFT information using the EFT methods described in paragraph (c) of this clause.

(1) The contract number (or other procurement identification number).

(6) If applicable, the Fedwire Transfer System telegraphic abbreviation of the Contractor's financial agent.

(7) If applicable, the Contractor shall also provide the name, address, telegraphic abbreviation, and 9-digit Routing Transit Number of the correspondent financial institution receiving the wire transfer payment if the Contractor's financial agent is not directly on-line to the Fedwire Transfer System; and, therefore, not the receiver of the wire transfer payment.

**Addendum # 1**  
Questions & Answers

TO: ALL PROSPECTIVE BIDDERS

RE: IFB 020-0-2020BH

The above referenced IFB is hereby clarified as follows:

- 1) Are deliveries made to one central location, or various schools? If individual schools, please provide the total number of locations?  
**48 individual locations.**
- 2) How often are orders for trash liners placed, and in what quantities?  
**As needed varies in quantities as low as 1 case and as high as 5 cases per location.**
- 3) Does the delivery location(s) have a loading dock & forklift?  
**No forklifts, 3 locations have a loading dock.**
- 4) Item 26 - Is the chrome toilet tissue for the 9” JRT tissue (item 110), or is it for the smaller roll (item 109)?  
**Smaller roll.**
- 5) Item 109 – what brand is the “high capacity small roll tissue?” There are a few brands out there, and most are proprietary.  
**VonDrehle Corporation Transcend micro - core tissue HC.**
- 6) Item 111 - what brand of towel is the roll towel.  
(This also appears to be proprietary. Also, if the towel dispenser for the roll towels is a different brand from the towels themselves, I need to know that brand as well. End-user does not appear to be requesting dispensers, but I need the info to make sure what our towel options are.)  
**VonDrehle Corporation Transcend HC Roll paper towel.**
- 7) Will you allow for alternate soap, toilet tissue and towels to be quoted?  
(Please note: this would require different dispensers to be installed)  
**No, Tissue and Paper towel dispensers are Vondrehle Corporation Transcend.**

- 8) Do all line items on Attachment A have to be bid on to be considered responsive?  
**All bids are welcome; the bid will be awarded on an All or Nothing basis.**
- 9) Can you please clarify if you plan to award this to a single-source supplier or line-by-line?  
**NNPS expects to award to the lowest responsive and responsible bidder on an All or Nothing basis.**
- 10) What is the contract period?  
**Please review IFB 020-0-2020BH in its entirety. Note pages 15 & 16.**
- 11) Please provide the previous bid tabulations & award information, to include an itemized breakdown of awarded vendors & unit prices.  
**Please see Attachment Z, Award was made to Riverside Paper.**  
**Note: Some items have been removed and some added from the previous IFB/Bid**
- 12) Can the bid open date be extended?  
**The current bid open date is being extended to August 1, 2019, the bid open time remain unchanged**

All other provisions of the IFB shall remain unchanged. These clarifications shall become part of the IFB package, and Bidder shall acknowledge receipt of the Addendum by signing in the space provided below and returning it with its bid.
